## By train – Arrival at Liège-Guillemins Station (SNCB)

- If you are coming **by plane**:
    - **Brussels Airport Zaventem**: take a train directly from the airport to Leuven, then take another train to the Liège-Guillemins Railway Station (SNCB).
    - **Brussels South Charleroi**: the city of Charleroi is 7km away from the airport, a shuttle joins both places. From the city, you can take buses, coaches or trains to Liège-Guillemins.
    - **Liège Airport (Liège-Bierset)**: you can take a shuttle or a bus (lines 53 and 57) to reach the city centre of Liège.
  - If you are coming from any other airport around Belgium, your final destination is still the Liège-Guillemins Railway Station!
  - If you are 5, you can buy « **Railpass** » for the train travel – but you still need to pay for the airport fee
- ### Buses from the Station
- At bus stop A in front of the station: lines **1, 4, 30, 27, 48** to reach the city centre.
